17) The proposals of the Private Secretary are two :—

(1) that Mr. da Costa's deputation be extended by 10 days ; and

(2) that he may, if possible, be posted to Mysore Dt for undergoing the further training as Prob. Asst Comr, and allowed ~~him~~ to assist the Private Secy at Govt House without prejudice to his normal course of training some concessions being given to him in this connection.

18) Re : (1) a draft G.O. is put up sanctioning the extension of the deputation by 10 days. At present Mr da Costa is given free lodging as well as free boarding, ~~and~~ but no daily allowance. In the last para ~~of~~ of his present letter Private Secy says that "till further orders Mr da costa may be allowed to live rent-free at Staff Quarters & to use the Govt. House Motor Cycle as soon as he has learnt to ride one". According to this he will not be given free boarding or free car. It is not clear whether the revised concessions on a lower Scale are intended to apply to the extension of special duty (10 days) period now applied for, or whether they are intended to apply only to the later period when he ~~can~~ may be posted to Mysore Dt for normal training as Prob. A.C Secondarily assisting the Private Secy at Govt. House. Perhaps it would be convenient if the same terms as now continue during the further 10 days of spl duty.

If only rent-free quarters is given and not free boarding, Mr da costa may have to be given Daily allowance — if the new arrt is to apply to Special duty period.

19) Re: (2), the programme of training to be undergone is indicated in Rev. Comr's letter d. 10.9.34. Mr da Costa has undergone 4½ months Dt. & Sub Dn. office training, 2 months Survey training and about 2½ months Treasury training. (He has very nearly completed Try. training period.) The items remaining are:—

H. G. (in limine)

III class Magte 2 months
Engineering 2 m.
Taluk office 4 m
Independent charge of a taluk 6 m

(The Rev. Comr. has separately said that he would send up proposals for a slight re-adjustment of the course)

20) The point for order is whether Mr da costa may be posted to Mysore Dt for the further training, and also allowed to assist at Govt. House (SR) It is for consideration whether the latter work may not affect the officer's normal training as during the same period he may have to pass the Local Service tests & Equitation etc. The Revenue Commr may, if deemed necessary, be consulted un-officially about this point — after issue of orders about extension of the Special duty.

[The period of Probation may have to be extended if the whole course of training & the H.G. tests are not completed in 2 yrs]

Vasantha Mahal,
Mysore, 16th June 1935.

My dear Mirza,

B 15-1

In pursuance of our conversation this morning I write to ask that Mr. da Costa's deputation may be extended for 10 days in order to enable him to clear up some outstanding matters in connection with the inspection and numbering of the Government House tents, numbering of the furniture and rewriting of certain registers that are out of order.

I should be very grateful if you would also consider the possibility of letting him continue his training in the Mysore district and assist me at the Government House in the time that is not taken up by work connected with his training. I think I could also do something, directly and indirectly, to assist in his instruction in his various duties.

I would suggest that till further orders he should be allowed to live rent-free at Staff Quarters and to use the Government House Motor cycle as his means of conveyance as soon as he has learnt to ride one.

Yours sincerely,

Chg
